These lists presented below show the layouts and traders etc invited and are expected to be present.. Whilst every effort has been made to ensure that the contents of this document are correct, railway modelling is essentially an amateur hobby and we rely on the goodwill of a very large number of people to stage our annual exhibition. Consequently the Colchester & District Model Railway Club cannot be held responsible for any error or omission nor for the failure of any exhibitor to appear.

G25

Brockford Station,
Wetheringsett, Stowmarket,
Suffolk, IP14 5PW

A section of the railway at Brockford has been recreated with original station buildings which capture the atmosphere of this quirky line. In 2012 the MSLR was awarded the Heritage Railway Association's Interpretation Award.

Today's 'Middy' is not only a museum but runs regular steam trains and has a programme of carriage and wagon restoration complementing its efforts to recreate this slice of Edwardian England
